Theatre camp is designed for the student who wants the challenge of a major role, creating a fully developed character, and learning the professional skills needed to audition well.

This past year in Rhode Island hundreds of children were cast in movies, film, and reoccurring TV spots on major networks, as well as for professional productions at the Providence Performing Arts Center. Many of those youth have studied and worked with Miss Cindy

The student who chooses full day camp must be ready to take on the challenge and pressure of learning a script in one week! We will focus on developing theatre skills thru improvisational games, learning

auditioning techniques, and rehearsing a play. Acting, singing, dancing, creating costumes, and set pieces are a part of each day!

Notebooks, pencils, pens, highlighters are needed.
Each camper must bring lunch, snacks and beverages daily.

Final performance for family and friends Friday afternoon!

Two Hour Summer Camp Description: Each week this class will explore and discuss a different famous ballet (Swan Lake, Giselle, Sleeping Beauty, etc.). We will read the story and create a craft to go along with the story's theme. We will also listen to music selections from each ballet and your child will get a CD at the end of the 3 week session to take the music home with them! The second hour of class includes age appropriate: instructional dance, movement games, traditional ballet and dance activities. A great introduction to famous ballets! Each 3 week session will discuss different ballets.
